

The IPS Student Council is happy to announce the upcoming

## 11<sup>th</sup> Jožef Stefan International Postgraduate School Students' Conference and 13<sup>th</sup> CMBE day in the Planica Nordic Centre

**WHEN:** 15 and 16 April 2019

**WHERE:** Planica Nordic Centre (<https://www.nc-planica.si/en/>)

As the conference will take place outside Ljubljana, we will take care of the hotel accommodations\*. We kindly ask everyone who is interested to mark the use of accommodation in the registration form, which will help us organize the event efficiently.

**WHO:** IPS, JSI and other postgraduate students from Slovenia and abroad.

\*Hotel NC Planica (<https://www.nc-planica.si/en/hotel/>), car parking is available.

Students will present their work with a:

- **3-minute oral presentation** – “elevator pitch” – where their research work will be presented in a comprehensive and interesting manner suitable for the general public;
- **Poster**, where their research work will be presented in more detail.

**Abstract, poster and the 3-minute pitch should be prepared in English.**

**REGISTRATION:** Due date for registration is **31 January 2019**.

**ABSTRACT SUBMISSION:** Abstract submissions will be possible until (including) **15 February 2019**. You will be informed in time about the due dates for registration and abstract submission.

Approximately two weeks before the conference, the participants will be able to attend **workshops** on how best to prepare for the 3-minute oral presentation. The workshops will be held by journalists whose job is to deal with ways of presenting scientific information on a daily basis.

***The best contributions will be financially rewarded!***

We are looking forward to seeing you at the 11<sup>th</sup> Student Conference in Planica, until then we wish you plenty of success in your research work!
